

Opening Screen

Start Button Clicked

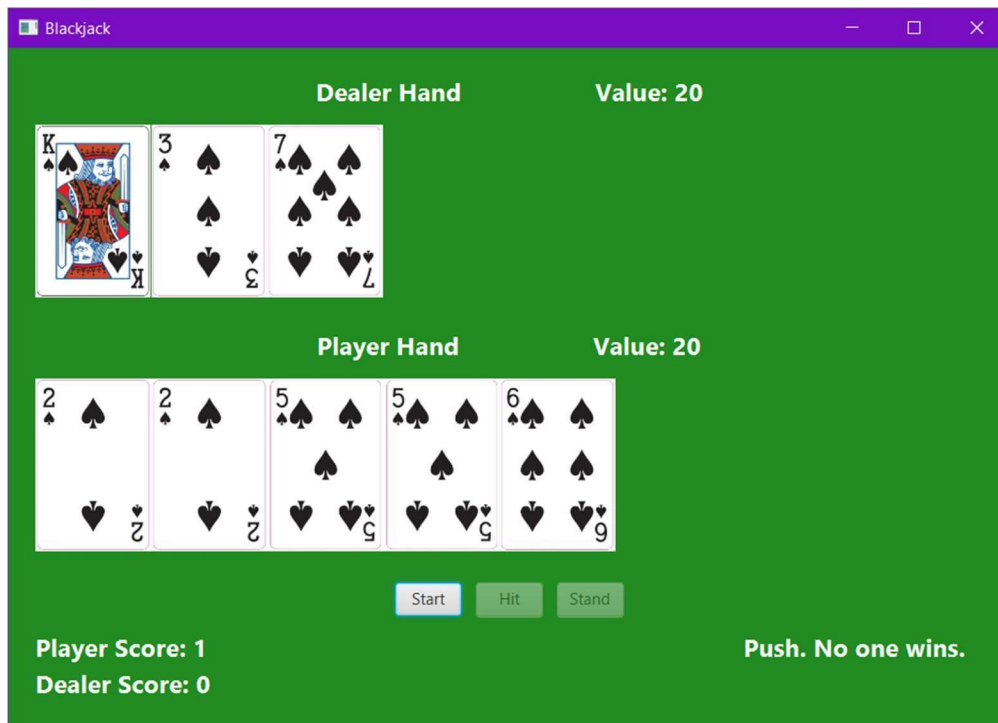

Hit Button Click

Stand Button Clicked – Dealer plays on. If the dealer reaches 16, it makes a decision based on the player's hand value. If the dealer's hand value is more than the player's, they stand. Otherwise, they will stand 50% of the time, or play on.

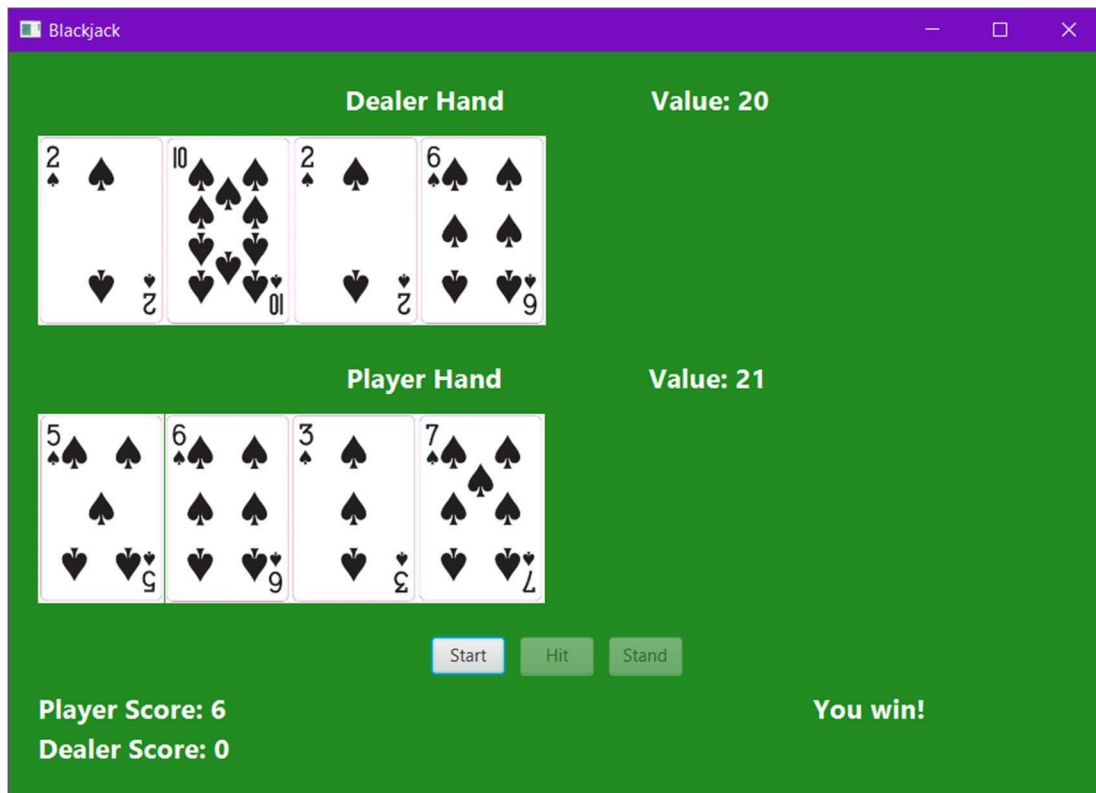

Player and Dealer Tie (Push)

Dealer Busts and Player Wins

Player gets Blackjack

Player busts, dealer wins
